QUICK INSTALLATION GUIDE

[Windows 8 Installation for ACT-IRx24UN family]

1. **WARNING: Do NOT plug in your dongle into USB port, until Driver installed!**
2. Please login in PC as an Administrator.
3. insert CD, and it will pop up an warning to you.
4. Please read this warning and then press **Ctrl + C** to stop CD installation first.
5. Now Browse this CD and select file **OKey.bat**.
6. **Right click** this file, and **select Run as administrator**.
7. After this setting successfully, please Restart PC. Just run (**double click**) **S.bat** from this CD as a quicker restart.
8. After PC restarted, browse this CD to **double click autorun.bat**.
9. Previous warning message will pop up again, but please press any key to continue anyway.
10. After all procedures completed, be sure to restart PC to resume back to your System Protection.
11. Now you can run your PC as normal.
