ELS Protector

Is to be changed into an ELS Pro (by entering the ELS Pro serial number)

Procedure:

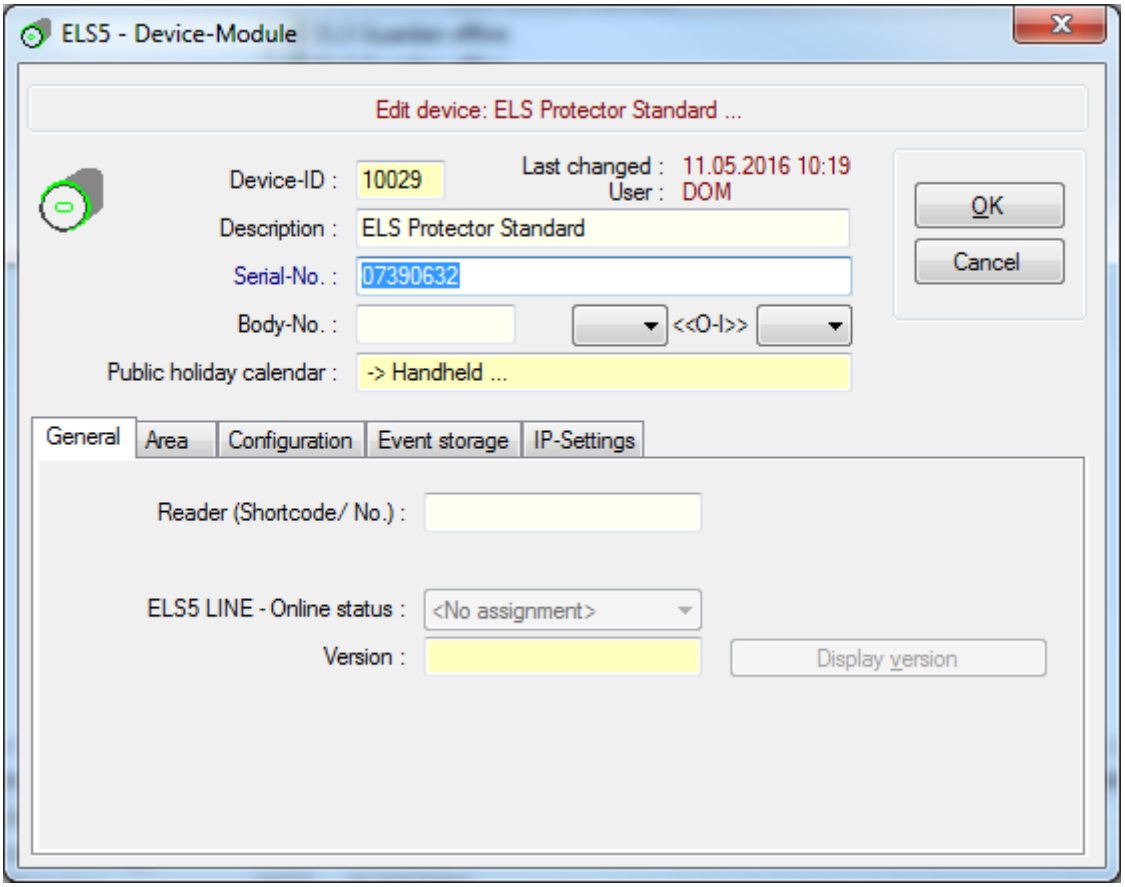

Create ELS Pro as a new device (but do not save it)

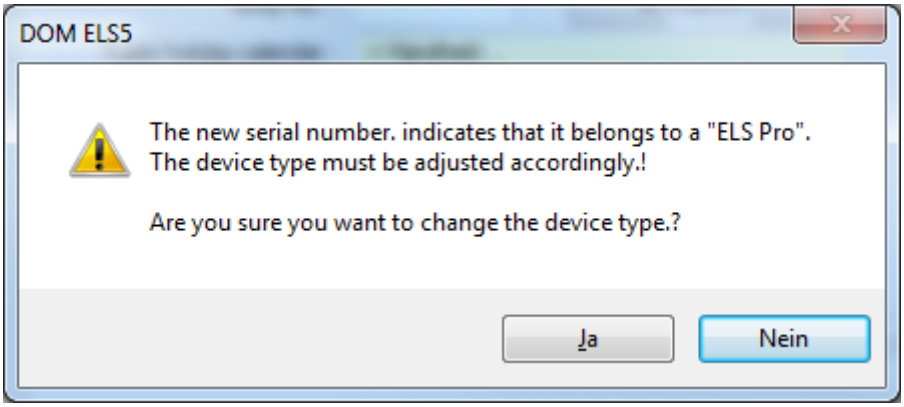

This is necessary to get the serial number of the ELS Pro.

Click [Cancel] here.

Enter the serial number of the ELS Pro in the ELS Protector

After confirmation of the security query the following window appears

After confirming the question with "Yes", the ELS Protector becomes an ELS Pro
